Provided, that there shall be an annual audit made showing receipts and expenditures, itemized, of all college transactions, one copy of which shall be filed on or before the first day of October of each year with the Governor of the State.

Provided, that the biennial report of the board of directors shall contain a financial statement, which shall include the number of instructors and employes of the college, and the salary received by each.

Provided, that the appropriations herein made are to be construed as the maximum sums to be appropriated to and for the several purposes named herein, and no expenditures shall be made, nor shall any obligations be incurred which, added to the actual expenditures, will exceed the amounts herein appropriated for either of the said purposes, except under the provisions provided for in Article 4342 of Chapter 2, Title 65, of the Revised Civil Statutes of 1911.

Provided, that all the proceeds of the sale of farm and dairy

products, surplus stock and worn out property shall be paid into the State Treasury, and become a part of the general revenue of the State.

Provided, reports shall be made quarterly and filed with the Comptroller, giving first an itemized statement of all moneys paid out and showing from what particular fund said money was paid.

Second, the full amount of money taken in from all sources including farm products, dairy products, and the amount paid in by each student for board or other items during the term. Said statement shall show what disposition is made of such funds, and if any surplus remains on hand at the end of any school year, it shall be remitted to the State Treasury.

Provided, that no money appropriated in this Act for any purpose shall be paid to any person directly or indirectly who is not at the time of receiving such pay, remuneration or emolument a citizen of the United States under the laws of the United States.

Provided, however, that this Act shall not apply to any person who is not a citizen of the United States under the naturalization laws of the United States who has resided in Texas for a period of ten years and who shall within thirty days after this Act shall take effect make application to become a citizen of the United States and who shall within two years after making such application become a citizen of the United States under the naturalization laws of the United States.

Totals	\$ 164,300.00	\$ 62,300.00

Provided that none of the above appropriations shall be expended until the title to the property has been passed on and approved by the Attorney General and title vested in the State of Texas,

Provided, that all new buildings authorized by this Act and for which appropriations are hereby made, except as otherwise provided, shall be of fire-proof construction and that part of all plans and specifications for the erection of buildings pertaining to fire-proof construction and the installation of fire protection, shall be submitted to, and approved by the State Fire Insurance Commission before any contract or contracts for erection or installation are made; and upon completion and before final estimate of the contract prices paid, shall be subject to inspection and approval by said Commission with regard to all matters pertaining to fire-proof construction or the installation of fire protection.

Provided that the purchase of equipment and furniture for buildings authorized to be constructed, added to or improved by this Bill, and of material and equipment for the installation of fire protection, shall be contracted for by the State Purchasing Agent in accordance with the provisions of Chapter L, of Title 125, of the Revised Civil Statutes of 1911.

The amounts appropriated in this Act are intended to cover the entire cost of the respective items and it is especially provided, hereby, that all contracts and undertakings, entered into, under and by virtue of the terms hereof, for improvements, enlargements and repairs on buildings and grounds, and for the construction of new buildings and for furnishing and equipment of buildings, shall be made strictly within the limits and terms of the appropriations made for such purposes; and it shall be the duty of the managers and directors of the various institutions, in the consideration and adoption of plans, specifications and contracts therefor, not to exceed such appropriations, nor to incur any obligations in excess thereof.

SEC. 2. Provided that no money herein or hereby appropriated

for any purpose shall be paid out to any person directly or indirectly upon any contract or agreement made or existing such person and the board authorizing the payment of same, where any member of such board is of kin to such person by blood or marriage or where such person is directly or indirectly indebted to any member of such board. And provided further, that no money herein or hereby appropriated for any salaries shall be paid to any person or persons who have not actually performed the duties required by the contract of employment or who are away from such institution where employed, or who are absent on leave of absence in or out of the State, except during vacation time. Provided, that no money herein or hereby appropriated for any purpose shall be paid to any person directly or indirectly who is not at the time of receiving such pay, remuneration or emolument, a citizen of the United States under the laws of the United States. Provided, however, that this Act shall not apply to any person who is not a citizen of the United States under the naturalization laws of the United States who has resided in Texas for a period of ten years and who shall within thirty days after this Act shall take effect make application to become a citizen of the United States and who shall within two years after making such application become a citizen of the United States under the naturalization laws of the United States.

SEC. 3. The fact that the Regular Session of the Thirty-fifth Legislature adjourned without passing the General Appropriation Bills, and the further fact that public policy requires the proper provision be made for the maintenance and support of the State Educational Institutions with as little delay as possible, and the further fact that this Legislature will soon be on the last half of this Special Session, creates an emergency, and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Approved June 2, 1917.

Takes effect June 2, 1917.
